What one Grocer says:

what I hire them for."

This is an actual fact related by a grocer to our salesman-and it's a common fact; we have it daily. So, you see, when they tell you that some worthless or dangerous washing-powder is "the same as" or "as good as" Pearline, that's because it pays a larger profit. Too large, altogether, if clerks can be hired on purpose to make people take things they don't want and know nothing of, instead of a tried and proved article like Pearline. If your grocer sends you what you
